Campaign to Ban Chemical-Emitting Smelly Plastic from China

The credit of any victory rest largely on the shoulders of passionate Greenpeace volunteers, donors, activists, water protectors, pipeline fighters, petition-signers, protesters, Congress callers, plastic clean-up and brand auditors, supermarket plastic campaigners, and social-media messengers • all of whom joined us in this extraordinary time to affect change for our environment.

Plastic is material consisting of any of a wide range of synthetic or semi-synthetic organic compounds that are malleable and so can be molded into solid objects.. Plasticity is the general property of all materials which can deform irreversibly without breaking but, in the class of moldable polymers, this occurs to such a degree that their actual name derives from this specific ability.

The 2013•2014 Thai political crisis was a period of political instability in Thailand. Anti-government protests took place between November 2013 and May 2014, organised by the People's Democratic Reform Committee (PDRC), a political pressure group led by former Democrat Party parliamentary representative Suthep Thaugsuban. The protests eventually resulted in the removal of incumbent Prime ...
