Drone Buying Guide - Drone Supremacy

Addendum 2017-02-20: I posted about the \$10 DIY Arduino data logger in July 2014, and there have been several updates to the way I assemble the basic three component logger since the early version described here. If you Googled directly to this post, then you might want to start by reading: [How to Build an Arduino Data Logger](#) which links through!

A DIY Arduino data logger for \$10 from 3 components (2014
