CRITICAL THEORY SINCE PLATO

critical theory since plato pdf

Critical Theory has a narrow and a broad meaning in philosophy and in the history of the social sciences. "Critical Theory" in the narrow sense designates several generations of German philosophers and social theorists in the Western European Marxist tradition known as the Frankfurt School.

Critical Theory (Stanford Encyclopedia of Philosophy)

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
