Dialogues and conversations are a fundamental part of any listening/speaking class. They can be used as introductory listening exercises and gap fills, or as a basis for role plays and can serve as models so students can create and personalize their own conversations. Sometimes, it can be difficult to find or create a good dialogue.

### **Dialogues and conversations for ESL teachers and students.**

Or you can be one speaker, and the students can be the other speaker. • Students practice the dialogue in pairs. • For literacy students, one way to present a dialogue is to make one card strip for each sentence in the dialogue and use two different colors, one for state- ments and another for questions (Cassar 1990).
