What are the exposition, rising action, climax, falling

Narrative exposition is the insertion of important background information within a story; for example, information about the setting, characters' backstories, prior plot events, historical context, etc. In a specifically literary context, exposition appears in the form of expository writing embedded within the narrative. Exposition is one of four rhetorical modes (also known as modes of ...

According to Freytag, a drama is divided into five parts, or acts, which some refer to as a dramatic arc: exposition, rising action, climax, falling action, and dénouement. Freytag's Pyramid can help writers organize their thoughts and ideas when describing the main problem of the drama, the rising action, the climax and the falling action.

Dramatic structure - Wikipedia

Brainstorm the basic parts of your narrative arc. The narrative arc is the progression of the play through beginning, middle, and end. The technical terms for these three parts are exposition, rising action, and resolution, and they always come in that order.
