All growth happens through stages of development. There are many lines of development, but there are certain characteristics which all of them have.

### **Stages of Development: sequential, invariant, hierarchical**

Conflict resolution is conceptualized as the methods and processes involved in facilitating the peaceful ending of conflict and retribution. Committed group members attempt to resolve group conflicts by actively communicating information about their conflicting motives or ideologies to the rest of the group (e.g., intentions; reasons for holding certain beliefs) and by engaging in collective ...
