The accomplishment of any important goal in life requires two things: a plan, and a commitment to keep to that plan! What follows is a simple 10-step process that will guide you to achieving success in your chosen Damelin programme, therefore bringing you one step closer to the career of your choice, or the advancement that you aspire to.

### Why choose Damelin Correspondence College | DCC

In a vehicle with a pusher configuration (as opposed to a tractor configuration), the propeller(s) are mounted behind their respective engine(s). According to British aviation author Bill Gunston, a "pusher propeller" is one mounted behind the engine, so that the drive shaft is in compression.. Pusher configuration describes this specific (propeller or ducted fan) thrust device attached to a ...
