Subtitles are text derived from either a transcript or screenplay of the dialog or commentary in films, television programs, video games, and the like, usually displayed at the bottom of the screen, but can also be at the top of the screen if there is already text at the bottom of the screen. They can either be a form of written translation of a dialog in a foreign language, or a written ...

## Language learning on a budget: Great alternatives to

This is because many languages simply borrow English words and integrate them into the new language with altered pronunciation or stress. So to make my life easy when I start learning a language, one of the first word lists I try to consume is a list of "cognates," or "English loan words," which can be found quickly for pretty much any language.

Closed captioning (CC) and subtitling are both processes of displaying text on a television, video screen, or other visual display to provide additional or interpretive information. Both are typically used as a transcription of the audio portion of a program as it occurs (either verbatim or in edited form), sometimes including descriptions of non-speech elements.
